- Limited parking is available. If you plan to bring a boat or watercraft, **please let us know in advance.** A **\$25 parking fee** applies.

Respect Neighboring Cabins

- You're welcome to **explore the property and woods**, but please **stay at least 150 feet from other cabins** to respect guest privacy.
- We're creating walking paths, but the forest is already beautiful and accessible—**explore responsibly.**

Noise Policy

- **No yelling, loud music, or disruptive noise at any time.**
- Please keep voices low between **10 PM and 8 AM** (extended to **11 PM on Fridays and Saturdays**).

Unplug & Reconnect with Nature

- Belle Terre offers a **digital detox experience**: there are **no TVs or WiFi in the cabins.** Most cell carriers have good coverage for personal hotspots if needed.

Bringing Your Dog?

- We welcome **one dog per cabin**. Please **keep them off the beds**—a **\$75 fee** applies if this rule isn't followed.
- Be sure to **include your dog in your reservation** so we can provide a dog bed and bowls.
- Please **clean up after your dog and never leave them unattended inside the cabin**.

Smoking Policy

- **Absolutely no smoking inside the cabins.**
- You're welcome to smoke outdoors—please use the provided canisters to dispose of cigarette butts responsibly.

Firepits & Firewood

- We provide a **starter bundle of firewood** for your private Solo Stove firepit.
- Feel free to **gather fallen sticks (under 2" diameter) around your cabin** or purchase additional approved bundles on-site.
- For safety, **do not burn leaves or large logs** in the Solo Stove.
- Please note: **burn bans may occasionally restrict outdoor fires.**

Enjoy the Communal Firepit

- The communal firepit is **stocked with larger firewood and ready for all guests to enjoy!**
